### Professional Networking Quiz

Let's find out how much do you know about networking!!

\* Required

Email \*

Your email

Name: \*

Your answer

1. Your friend approaches and tells you that there is a hackathon next month in some college. He invites you to participate as a team. What will you do? \*

☐ Ignore the invitation.

☐ Accept it, because it will be a great way to interact with people and learn new technologies.

☐ Make fun of your friend and tell him/her it is not worth it.

☐ Make other plans with your family.

internship in a prestigious company. How will you approach him/her? \*

☐ Do nothing. I have faith in myself. I don't need anyone's help to get good internships.

☐ If you don't have his/her contact details, approach your university professor and explain your scenario and ask your professor to introduce you to your senior.

☐ Get discouraged and start thinking you can't achieve success.

☐ Spamming your senior with calls, text messages, emails, etc. thinking he/she will respond quicker.

5. You are in 3rd Year. You see your junior struggling with a few concepts in a particular subject. What will you do? \*

☐ Ignore it because you will not get anything in return if you help your junior.

☐ Think like if your junior wants to clarify the concepts, he/she will approach the professor and get it clarified himself/herself.

☐ Approach your junior in a positive mindset and try clarifying the concepts.

☐ Make fun of your junior since the concepts are too easy to understand.

6. You are attending a meetup and the speaker is about to conclude the session of the event. What will you do once the event is over? \*

☐ Stand up and head towards home.

☐ Criticize on how the event went horribly (possibly might not be the case)

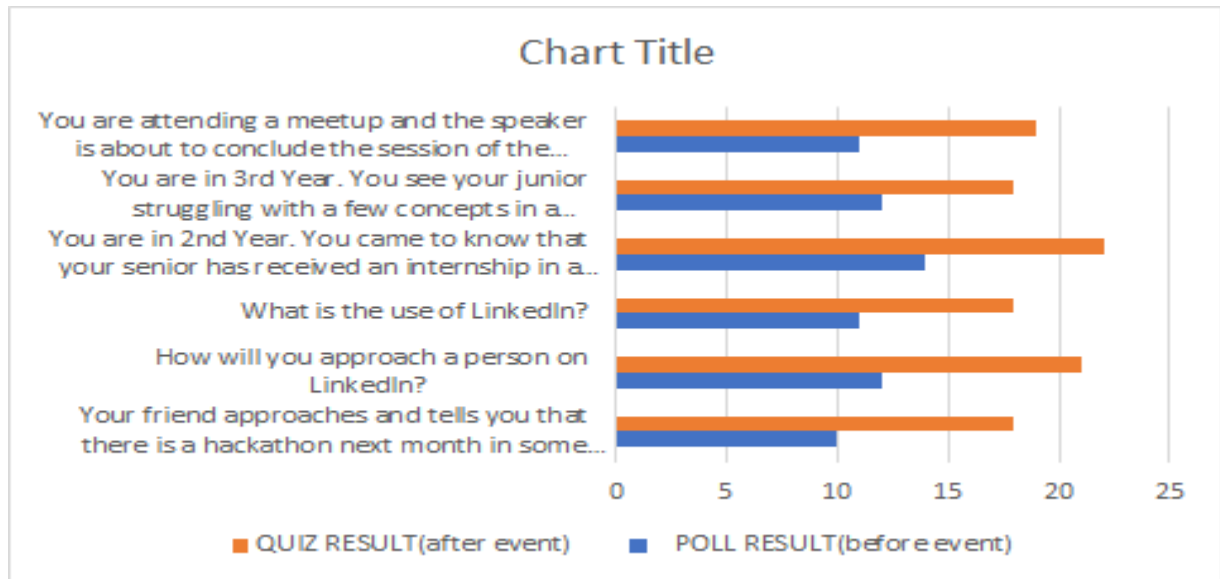

☐ If you get a chance to meet the organizing team, appreciate their efforts by telling them.

☐ Interact with the people around you.
